# Report of the Executive Director for Children's Services

#### **Schools Forum Membership**

#### 1. Purpose of the Report

To seek the views of the Schools Forum to proposed changes to its Constitution, including the size of the membership.

#### 2. Information and Analysis

#### 2.1 Size of Schools Forum

The Schools Forums (England) Regulations 2012 (as amended) which govern the operation of the Schools Forum require that the Forum's membership is reviewed periodically to ensure that the allocation of mainstream school places between maintained schools and academies remains broadly representative of the position within each local authority. The current membership of the Schools Forum is shown in the table below.

As well as reviewing the balance of school and academy places, the advent of Covid -19 makes it necessary to consider operation of the Schools Forum as well. The main issue is the size of the Forum which was last reviewed in 2015 when the LA proposed reducing it from 40 to 28. However, in light of the concerns expressed by the Forum at the time a smaller reduction to 36 was agreed.

As Table 2 below shows, Derbyshire's Schools Forum is the largest in the East Midlands.

Since 2015 the Schools Forum and LAs' flexibilities around funding have been significantly curtailed with most LA-level DSG funding allocated via objective formulae with limited movements between blocks. In addition national funding formulae now determine the distribution of institutional-level funding to mainstream schools and academies.

Appendix 1 sets out the DfE's summary of powers and responsibilities of the Schools Forum. In terms of decision making, the powers are now broadly limited to:

- Considering any LA request to transfer up to 0.5% of the Schools Block to other Blocks;
- Considering applications to carry forward DSG re-pooled deficit balances;
- Considering whether or not to de-delegate funding for a range of services;
- Approving Central School Services Block budgets;
- Determining the level of central Early Years Block budgets;
- Setting the budget for, and criteria for allocating, pupil growth funding;
- Approving changes to the Scheme of Management; and
- Determining voting procedures and electing the Chair of the Forum.

As well as the reductions in responsibilities, the advent of Covid -19 could mean that the Forum may have to operate virtually for some time. It is therefore essential that the size of the Forum does not act as an impediment to this. In addition to the current 36 full member places there are five "observer" places for LA Elected Members, the Derbyshire Information and Advice Support Service and the Education and Skills Funding Agency. Meetings are also usually attended by around seven or eight officers, meaning potentially nearly fifty individuals could be involved.

Although physical meetings have a level of apologies reported, virtual meetings may result in higher attendances.

Some potential alternative sizes are provided in Table 3. The column headed "revised" retains the current Forum size but reflects changes in the proportion of pupils attending mainstream academies, including those schools which are on the DfE list to become academies in the coming months. The options columns reflect both the change in academy and school populations and the potential reductions in the size of the Forum.

N.B. Items shaded show the point at which the level of representation changes.

In the current circumstances the Authority is minded to adopt a Forum of 28 full places from September 2020. At this level, and with a full attendance, the virtual meeting could still involve around 40 individuals once any substitutes, observers and officers are included. Consideration could be given to increasing the size in the future if it was felt necessary and once Covid 19 restrictions have been fully lifted. The final decision on the size of the Forum is a matter for the Authority's Cabinet and is due to be considered at its meeting on July 30<sup>th</sup>.

The Schools Forum is invited to offer its views on the issues raised.

#### 2.2 Other Forum Constitution issues

The national school landscape has changed significantly since 2015, not least the increase in the number of academies which are part of multi academy trust (MAT) chains. This change gives rise to a theoretical problem. Derbyshire's constitution does not allow more than one representative from one school, however, there is nothing to limit the number of representatives from the same MAT.

In order to ensure a balanced representation it is proposed that the Constitution be amended to limit the number of representatives from the same MAT to a maximum of two.

The Schools Forum is asked to support this change.

#### 2.3 Current terms of office

The current terms of office of school and academy members were extended to 31<sup>st</sup> August 2020 and have therefore run for five rather than the usual four years. Although constituting a new Forum will be a challenge in the current climate, the Authority is minded to undertake this process over the summer and early part of the autumn 2020 terms. The option to extend a further year has its advantages in terms of retaining expertise. However, such an approach would be problematic if the size of the Forum were to be reduced.

Accordingly, the Authority is planning to ask for nominations to the new Forum from schools and academies by the end of this term with any subsequent elections taking place in September 2020. This process will not include non-school members and observers who will retain their places on the Forum automatically in accordance with the Forum's Constitution. The first meeting of the reconstituted Forum is likely to be in October 2020.

The Forum is asked to note the LA's proposed way forward and offer any views.

- **3.** Other Considerations In preparing this report the relevance of the following factors has been considered: prevention of crime & disorder, equality of opportunity, finance, human resources, legal & human rights, environmental, health, property and transport considerations.
- 4. Background Papers None.
- 5. Executive Director's Recommendations

That the Schools Forum:

- 5.1 Gives its views on the proposed changes to the size of the Forum;
- 5.2 Support the proposal to restrict the number of representatives from a multi academy trust to a maximum of two; and
- 5.3 Notes the LA's proposal to implement arrangements to elect a new Schools Forum and offers any views.
