

## Help with ....

### Baby's very first books

Library staff will be able to help you find these books or others on the subject.

Your newborn baby's eyesight is not quite as well developed as yours is. In the early weeks and months you may find that they will respond well to black and white and other high contrast colour combinations, or images with sharp outlines.

### A selection of books to share

- Books by **Stella Baggott** including "*Faces*", "*Babies*", "*Animals*" and "*Going out*"
- *Black and white* - **Bianca Lucas**
- "*Hello animals*" and "*Hello bugs*" by **Smriti Prasadam**
- Books by **Chez Picthall** including "*Hearts and stars*", "*Snowflakes*", "*Spots and dots*" "*Baby sees flowers*" and "*Baby sees at the beach*"
- Books in the "*Amazing Baby*" series

**Libraries have a wide range of information on many parenting topics - most libraries have parenting collections.**

Look out for other booklists for parents on topics such as healthy eating; bereavement; fitness; weaning and breastfeeding; potty training; sleeping; safety and a new sister/brother.
