Free access to IT Support to an Adult Careers Adviser typically include:

- Offer face to face advice to adults in a range of locations in local communities.
- Provide detailed sector by sector labour market information so people can discover which industries are growing in their area.
- Provide tools such as a CV builder and a Skills Health Check on the website to help people identify their skills strengths and gaps.
- Allow people to open a Lifelong Learning Account, which gives clear information and advice on skills, careers and financial support in a single, personalised online space.
