Welcome from Derbyshire Adult Care

We work with other statutory and voluntary organisations to support the health and wellbeing of local people and to assist them to find the support they need to experience the best quality of life possible.

What are Day services?

Day services aim to support individuals with their personal development, independence and inclusion in local community life. The services offer support for people with different needs, from minimal support through to more intensive personal care. They aim to maximise independence and promote social inclusion. The activities offered are based on areas identified in your personalised support plan. They monitor and review your progress against objectives to ensure activities continue to meet your assessed needs. Some activities are time-limited and targeted to achieve your objectives, for example, getting ready to access employment or educational activities. Some services may be provided within buildings that are equipped for individuals who need support with their personal care and who will need access to facilities that maintain their safety. Other services will support you to access activities in the community or in outreach groups.

Who provides them?

In order to ensure the biggest range of high quality services we advertised the opportunity to join an accredited list of day service providers from whom the council could buy services on behalf of its clients. We call this list the 'Framework of Day Services'. In total there are 41 service providers on the Framework offering approximately 125 different day services and activities.

The providers selected to join the Framework were assessed to make sure they met certain standards and could provide high quality services. We will continually monitor these providers to ensure they maintain these standards and this includes receiving regular information from them and visiting services. We will develop improvement plans with providers where necessary. If we think they have not maintained high standards we may remove them from the Framework.

Concerns & complaints:

All organisations need to know how they are performing. They are happy to receive your feedback on their service whether they are compliments or complaints. If you are concerned about the service you or someone else is receiving it is normally best to speak to the manager in the first instance. The problem may be resolved quite easily once they are aware of it. If you want to make a formal complaint you should ask for a copy of the provider's complaints procedure and follow the guidance.

In Derbyshire we aim to do what we can to protect someone from abuse. We work with providers of services to ensure they alert the local authority if someone is experiencing harm or abuse or is felt to be at risk of experiencing harm or abuse. If you want to talk to someone regarding any abuse you or someone else may be experiencing you can contact **Call Derbyshire** on **01629 533190**.

How to access Day care services

If you are assessed as having eligible social care needs we will work with you identify what outcomes you want to achieve and will support you and your carers to draw up a care and support plan. A budget will be calculated to enable you to meet your outcomes and we can pay this to you as a Direct Payment or manage it on your behalf.

The services on the Framework can be purchased by the Council on your behalf at the prices quoted.

You may also approach service providers directly and purchase service if you have a Direct Payment or as a private customer if you do not have eligible social care needs. In these instances you will need to discuss the prices with the service provider directly.

As well as using this Directory and searching at **www.derbyshire.gov.uk/daysservices**, the Brokerage service can support you to identify a range of services to meet your needs and help you to get the best value for money. The **Brokerage team** can be contacted on **01629 537763** or **01629 537758** or by visiting **www/derbyshire.gov.uk/brokerage** and completing a request for a call back.

You can also contact **Call Derbyshire** on **01629 533190** or email: **contact.centre@derbyshire.gov.uk**, or discuss your options with your social worker.

How to use this Directory

This Directory is divided into Sections.

Section 1: Welcome from Derbyshire Adult Care
Welcome and Introduction

Section 2: Day Services by District or Boroughs

An alphabetical list of services per area of Derbyshire. See map below. This gives you basic information about the provider, the service, its location, which people it can support, and contact details. At the top of each page is a key that explains about the different client groups the service can help.

Section 3: Service Information Sheets

Contains the service information sheets about each service which gives much greater details to help you choose. These are also listed alphabetically.

Service detail

The property based service; Mundy Street Day Service is situated in Heanor. It is a single storey, former 'red brick junior school' with excellent disability access. Facilities include a teaching kitchen, relaxation and sensory room, IT room, Jacuzzi, music room, craft room, pottery and general purpose rooms. There is also a 'safe' garden area with some sensory equipment and a nearby allotment is used. Service users generally arrive and have a 'settling in' period in an area of their choosing. The 'activities board' is already displayed with details of activities, groups and staffing with any alterations to their consistent pre planned programme.

Activities are provided with the appropriate level of staff support; with about 50% being community based. The standard level of staffing is provided in a ratio of 3:1 and people who have been assessed as requiring additional staffing receive extra support. Most activities include a break and a light lunch provided either in house or in the community.

Transport to and from activities is included and mainly consists of people carrier type vehicles. Transport to and from the service is not included.

Core hours within the current day service are 9am to 4pm, with extended services available at the weekend or evenings.

Unit price

The Unit Price is presently £105.00 per day for the standard package.

£12.80 per hour for people requiring additional individual support.

Referral Process

People who are interested in attending our services are encouraged to arrange a visit to view the service through the Manager. These are usually arranged for mid morning or mid afternoon to provide opportunity to see some service users in activities whilst avoiding the busy transition periods. Social workers, family and other interested parties are welcome to visit and sometimes the actual service user may only visit on the second occasion to avoid potential disappointment.

If the interested parties wish to pursue the placement they will complete an application form which will generate a thorough assessment usually carried out by the manager of the service.

A proposal, giving details of the level of support needs and costings, would be put in place and the process of staff recruitment would start if additional staffing was required.

Can the personal care needs of clients be met?

E.g. Assistance with toileting, medication, moving and handling, assistance with eating etc.

Yes. Staff are experienced in delivering personal and intimate care which may include supporting with continence, medication, moving and handling, and support with eating and drinking. Training in this areas begins within the induction process and as part of the care certificate.

In addition staff can also be trained in the delivery of buccal medication to support individuals with epilepsy where this is assessed as a requirement. However, no invasive practices can be administered by Autism East Midlands staff.

There are guidelines for staff in respect of providing personal and intimate care, with dignity and independence of service users as the focus.

Support plans, and, where necessary, best interest decision making enable care to be provided in a person-centred and consistent manner. Specialist advice and support would be sought where there were issues of particular need or complexity.

Is transport available for clients to purchase?

No.

Are FREE taster sessions available?

No. Visits are encouraged but taster sessions are negotiated on an individual basis due to the complex nature of the specialist provision we deliver and potential for significant impact on other service users.

Life Skills Session - Enhanced

Unit price	£36 per person, per 3 hour session in a group of 2 customers
Referral Process	
The initial point of contact would be for the customer’s worker or the customer to contact the service.	
All of our customers will be invited in to have an initial talk with one of our programme tutors, to find out a little about the customer and for them to understand who we are and what we do.	
Once the customer has given an idea of the skill they would like to gain, they will be invited to a taster session, which allows the customer to get a feel for the service and allows us to further assess the client’s needs and invite them to join a full group programme when one is ready.	
Can the personal care needs of clients be met? E.g. Assistance with toileting, medication, moving and handling, assistance with eating etc.	
No.	
Is transport available for clients to purchase?	
No. Transport options are something that we will be willing to consider, should the need become apparent.	
Are FREE taster sessions available?	
Yes. Practical assessment has been and invaluable tool for us in making sure we understand our customers.	
A “taster day” is the final stage of our assessment before we start the programme proper.	
We invite our customers in for a free, one to one session based on their area of interest, in which we aim to ease the customer into the service and also find out further information to truly tailor our approach to the customer, their needs and their goals and aspirations.

Service detail	
<p>Two hour evening sessions, 18.30 - 20.30, including two fifteen minute refreshment breaks. Session will include a directed introduction to the topic delivered by a DASG staff member, with the clients supported on the enhanced packakge with additional 1:1 staff support. The group generally will be staffed on a 1:5 ratio. Each session, depending on the nature of the topic covered, will involve discussion, practical activity, the completion of a 'workbook' to retain for reference purposes at the end of the session and a brief reflective session to conclude.</p> <p>Each session will be stand alone and can be accessed individually. However, accessing a suite of sessions within one particular topic would be a productive model as the client could build on prior experience and learning and take the opportunity to apply them to a new context.</p> <p>An additional benefit would be the opportunity to forge new relationships and participate in community based activities.</p> <p>A maximum group number of 10 would be anticipated, to ensure that clients are not overloaded.</p>	
Unit price	£70 per session enhanced rate, including session materials and light refreshments (drinks and snacks) and 1:1 staff support.

Referral Process
We would be happy to receive referrals directly from individuals or family members, through multi agency teams, medical practitioners, social services, police and youth offending teams, colleges and universities. This could involve an initial phone call or email contact, followed by the completion (with support where necessary) of an EOI form and/or a face to face conversation to establish what the client wishes to gain from participation and the funding route involved.

Service detail	
<p>Enjoying Derby is a programme of guided walks around the City of Derby and destinations in Derbyshire. The aim is to encourage people to enjoy the mental and physical health benefits of walking. Our programme offers over 75 different themed walks focusing on the history and culture of Derbyshire. This is an opportunity to learn more about the area, become more active and meet new friends.</p> <p>Walks take place every Tuesday and Thursday. Meeting at 1pm outside the Assembly Rooms, Market Place, Derby. Walks are between 1-3 miles long, all start and end at the Market Place.</p> <p>Finish times vary. Full guidance is given in our walk programme. We sometimes use public transport to travel out of the city and in some specified cases there maybe an earlier start. All walks are risk assessed and led by a team of trained and experienced walk leaders.</p> <p>Walking can improve mood, self-esteem, social contact, confidence and a sense of well-being for those who participate, as well as helping to lose or maintain weight. Walking with others can increase social interaction and understanding between people with mental health problems and the wider community. It can also help you cope better with stress.</p>	
Unit price	£3.00 per walk per person

Referral Process

We meet at 1:00 outside the Assembly Rooms on the Market Place in Derby, unless another time is given on the walk programme.

You can just turn up on the day no prior referral is required. Should you wish to gain further details about any specific walk you are advised to contact us in advance.

New walkers will be asked to complete a health questionnaire. You will need to fill in a health questionnaire on your first visit or if your health changes. You can get this form from the walk leader or if you would rather do it at home, ring or email and we will send you one which you can complete and bring in. You will also be asked to take part in evaluating the programme.

Can the personal care needs of clients be met?

E.g. Assistance with toileting, medication, moving and handling, assistance with eating etc.

No Personal Care needs of the client can be met.

Is transport available for clients to purchase?

No. Transport is not available for clients to purchase to attend the walking group. There may be times that Public Transport is used as part of the walking session and all such costs must be met by the client.

Are FREE taster sessions available?

Yes. One free walk per person.

Service detail	
<p>Our Growing Lives project is designed to support people to improve their health, strengthen their skills and get more out of life. It offers a safe, supportive environment where people can build the skills and tools they need to make long-term changes to their lives, empowering them to set and pursue their own goals and reach their potential.</p> <p>It is an informal learning project that gives mentoring and support alongside a range of activities including gardening, woodwork, cookery and arts & crafts. It is aimed at people with mental ill health, learning disabilities and people returning to work after enduring health problems.</p> <p>For this framework we can offer half day sessions including drinks and snacks for clients to participate in Arts & Crafts. Sessions commence at 9.30am or 1.30pm and run for 3 hours. Arts & Crafts is available on a Monday and a Tuesday, 48 weeks per year.</p> <p>All materials and equipment are provided. Each session is delivered by an experienced staff member specialised in the offered activity. In total there are 3 members of staff employed by the service</p>	
Unit price	£20

Referral Process

We use a simple referral form with clear eligibility criteria, which we accept by email, fax or post to ensure that it suits the working methods of the referring organisations. Once a referral has been made we will make contact with the individual as quickly as possible to organise their introduction to the project. This includes a one-to-one support meeting with a member of staff, and identification of any potential risks to the participant or others. A risk management plan is developed with the individual, to address all identified risks.

At all times, we focus on how to help each person to continue making progress, to stick with Orchard Works, and to progress on to other opportunities when they are ready.

Flexibility is key to this project – rigid structures can deter people from accessing traditional learning services. To secure engagement and retain participants our learning programme is person-centred.

Can the personal care needs of clients be met?

E.g. Assistance with toileting, medication, moving and handling, assistance with eating etc.

No

Is transport available for clients to purchase?

Yes. We have a mini bus which is available for transport purposes. The cost would be £5 return in Erewash and £7 return for Amber Valley.

Are FREE taster sessions available?

Yes. Our project welcomes potential clients to visit before they commit to attending, visits would have to coincide with the days the activity is available. We will not be able to provide transport for taster sessions.

Service detail			
We will provide 1.5 days of day-care. Transport will be on offer for those living in the Ilkeston and surrounding area.			
The full day will consist of a starting time of 9.30am and finish time of 3.30pm.			
We will provide morning refreshments, quiet activity and socialising. A two-course hot lunch. A range of activities will be on offer during the afternoon; this could include exercise,crafts, reminiscence, singing etc. We often work with many local artists on a range of projects suitable for our client group. Afternoon refresments and cake are served on the full day.			
The day-care will also go on occasional trips out for a meal. The half day will be the same as the above but with a finishing time of 1.30pm and no structured activity. The service will be operated by a manager, care staff and volunteers.			
Unit price	Price on enquiry.		
Referral Process			
Referrals via GP's, ECMH, Social Sevices, Vspa and self-referral. Review any documentation supplied by the professional body to assess suitability. If they are deemed suitable and space is available they will be offered a 4-week trial to ascertain that we can provide the care needed and also for the client to decide if the service meets their needs and outcomes. If we were over subscribed, we would keep a waiting list and accept the referrals in the order received.			

Can the personal care needs of clients be met? E.g. Assistance with toileting, medication, moving and handling, assistance with eating etc.
Yes. We can provide basic assistance to and from the toilet, the client will attend to themselves whilst inside the cubicle. However, in certain circumstances we would help the client with their personal care if needed. If a family member / carer has left medication and clear instructions we will supervise the client in taking it. We do not have a hoist to move clients but will support them to move around the centre if required. If a client requires help and encouragement to eat, this will be freely given.
Is transport available for clients to purchase?
Yes. £5 per retun jorney for those in Ilkeston and surrounding area, using community transport. For those out of the area we can organise taxis if needed; this will be at the client's expense.
Are FREE taster sessions available?
Yes. We would offer this, if necessary to attract new clients; up to 2 free taster sessions.

Localities covered	Everyone is welcome, from anywhere in the city or county.
Any restrictions	None - this worker might help overcome restrictions a person might otherwise face, as they increase support ratios.
Service detail	
An additional trained worker who can be added to another package to increase staff ratios. This might be useful for clients who need personal care whilst on our premises, but who are not bringing their own carers with them.	
Unit price	£17.50 per hour.
Referral Process	
If someone would like to use our services please phone Steph to book an initial assessment meeting. This will be used to find out more about the person, their needs and what they would like to get out of working with us.	
We will agree the outcomes a person would like to achieve, create a personal plan, and set baselines so we can monitor progress.	
Clients are initially assessed using a needs based assessment tool, enabling us to match them to the service which most meets their needs, giving them the best opportunity to progress. We will review how the person is getting along after an agreed number of weeks, checking our assessments were correct, the service is right for them, and they are making progress towards their goals.	

Can the personal care needs of clients be met? E.g. Assistance with toileting, medication, moving and handling, assistance with eating etc.
Yes. This is a personal care package provided by Right At Home Derby.
Is transport available for clients to purchase?
Yes. Supported transport packages can be arranged with our partner organisation, Right At Home. These will incur an additional charge, which will be dependant on the distance a person needs to travel and the time the journey will take.
Are FREE taster sessions available?
No. We are unable to offer free taster sessions, however we do offer 'no strings' tasters. This means that clients can pay to attend one session to find out whether they like a service before they commit to a longer term contract.

Localities covered	Everyone is welcome, from anywhere in the city or county.
Any restrictions	Acceptance into our Arts Therapies programme is subject to a clinical assessment. If our assessing therapist does not feel therapy will meet the needs of a person at this time they may be offered an alternate service.
Service detail	
Facilitated by HCPC registered, fully qualified arts psychotherapists, this service supports people to process current or past trauma, beginning the journey back to well-being.	
Generally offered in time-limited programmes of at least 12 sessions, Arts Based Psychotherapy uses non-verbal, verbal and creative means of expression and exploration. Our therapists tailor techniques to enable each client to explore their issues. This might include drama, art, music and movement - whichever is most appropriate for the client.	
Sessions allow clients a safe place to explore and express emotions within a therapeutically contained space. This aids recovery, equips clients with life skills, and builds personal resilience. Clients have the opportunity to recover their self esteem, confidence, sense of independence and awareness.	
Therapy sessions take place at Inspirative House on Canal St in Derby city centre - which is a 5 minute walk from Derby bus and train stations - we also have a small carpark if clients are being dropped off. This is a safe, welcoming, accessible venue equipped with lots of stimulating creative resources to engage clients in therapy sessions.	
Sessions take place by arrangement throughout the week.	

Unit price	£50 per 1 hour session.

Art Therapies: Group - 2 hours

Provider Address	Inspirative House, 50 Canal St, Derby, DE1 2RJ
Contact Name	Becky Morley
Phone number(s)	01332 208 706
Email address	r.morley@inspirativearts.co.uk
Web address	www.inspirativearts.co.uk
Service Name	Small Group Arts Therapies (4B) - 2 hours
Type of service	Small Group arts psychotherapy (dramatherapy, art therapy, music therapy or dance and movement therapy) for people who are experiencing trauma. These supportive groups are best suited to people who are coming to the end of the need of 1:1 therapy or who are on a waiting list to obtain therapy in the future.
Location	Inspirative House, 50 Canal St, Derby, DE1 2RJ
Clients catered for	
Older People aged 65+	x
Clients with Dementia	x
Clients with a Physical Disability/Sensory impairment	✓
Clients with a Learning Disability	✓
Clients with Mental Health difficulties	✓
Clients with Profound and Multiple Learning Disabilities	x
Clients with challenging behaviour	✓
Localities covered	Everyone is welcome, from anywhere in the city or county.
Any restrictions	Acceptance into our Arts Therapies programme is subject to a clinical assessment. If our assessing therapist does not feel therapy will meet the needs of a person at this time they may be offered an alternate service.
Service detail	
Facilitated by HCPC registered, fully qualified arts psychotherapists, this service supports people to process current or past trauma, beginning the journey back to well-being.	
Generally offered in time-limited programmes of at least 12 sessions, Arts Based Psychotherapy uses non-verbal, verbal and creative means of expression and exploration. Our therapists tailor techniques to enable each client to explore their issues. This might include drama, art, music and movement - whichever is most appropriate for the client.	
Sessions allow clients a safe place to explore and express emotions within a therapeutically contained space. This aids recovery, equips clients with life skills, and builds personal resilience. Clients have the opportunity to recover their self esteem, confidence, sense of independence and awareness.	
These supportive groups are best suited to people who are coming to the end of the need of 1:1 therapy or who are on a waiting list to obtain therapy in the future. These groups give individuals the space to share experiences, in a safe environment, with others who may have experienced similar difficulties.	
Therapy sessions take place at Inspirative House on Canal St in Derby city centre - which is a 5 minute walk from Derby bus and train stations - we also have a small carpark if clients are being dropped off. This is a safe, welcoming, accessible venue equipped with lots of stimulating creative resources to engage clients in therapy sessions.	
Sessions take place by arrangement throughout the week.	

Unit price	£50 per 2 hour session.
Referral Process	
If someone would like to use our services please phone Steph to book an initial assessment meeting. This will be used to find out more about the person, their needs and what they would like to get out of working with us.	
We will agree the outcomes a person would like to achieve, create a personal plan, and set baselines so we can monitor progress.	
Clients are initially assessed using a needs based assessment tool, enabling us to match them to the service which most meets their needs, giving them the best opportunity to progress. We will review how the person is getting along after an agreed number of weeks, checking our assessments were correct, the service is right for them, and they are making progress towards their goals.	
Can the personal care needs of clients be met? E.g. Assistance with toileting, medication, moving and handling, assistance with eating etc.	
Yes. Care packages can be arranged with our partner organisation, Right At Home. These will incur an additional charge, which is detailed in our "added care" service information sheet.	
Is transport available for clients to purchase?	
Yes. Supported transport packages can be arranged with our partner organisation, Right At Home. These will incur an additional charge, which will be dependant on the distance a person needs to travel and the time the journey will take.	
Are FREE taster sessions available?	
No. We are unable to offer free taster sessions, however we do offer 'no strings' tasters. This means that clients can pay to attend one session to find out whether they like a service before they commit to a longer term contract.

Service detail	
<p>Facilitated by fully qualified Creative Expressive specialists with additional training, and supported by trained volunteers, these creative, expressive workshops bring people with similar needs together to explore and process thoughts, feelings and experiences through the arts.</p> <p>Workshops are designed to suit the needs and abilities of group members, with no more than 6 people per group. We focus on giving people a safe space for artistic expression, facilitating communication, nurturing self-esteem, building a sense of community, tackling difficulties and restoring well-being.</p> <p>Our team use a mix of art forms - art, music, dance and drama - specifically tailored to the engagement styles of group members.</p>	

The workshops take place at Inspirative House on Canal St in Derby city centre - which is a 5 minute walk from Derby bus and train stations - we also have a small carpark if clients are being dropped off. This is a safe, welcoming, accessible venue equipped with lots of stimulating creative resources to engage our clients.

Groups take place at various times during the week.

Unit price £30 per 1 hour session.

Referral Process

If someone would like to use our services please phone Steph to book an initial assessment meeting. This will be used to find out more about the person, their needs and what they would like to get out of working with us.

We will agree the outcomes a person would like to achieve, create a personal plan, and set baselines so we can monitor progress.

Clients are initially assessed using a needs based assessment tool, enabling us to match them to the service which most meets their needs, giving them the best opportunity to progress. We will review how the person is getting along after an agreed number of weeks, checking our assessments were correct, the service is right for them, and they are making progress towards their goals.

Can the personal care needs of clients be met?

E.g. Assistance with toileting, medication, moving and handling, assistance with eating etc.

Yes. Care packages can be arranged with our partner organisation, Right At Home. These will incur an additional charge, which is detailed in our "added care" service information sheet.

Is transport available for clients to purchase?

Yes. Supported transport packages can be arranged with our partner organisation, Right At Home. These will incur an additional charge, which will be dependant on the distance a person needs to travel and the time the journey will take.

Are FREE taster sessions available?

No. We are unable to offer free taster sessions, however we do offer 'no strings' tasters. This means that clients can pay to attend one session to find out whether they like a service before they commit to a longer term contract.

Service detail			
<p>The Riding High project at Lane End Farm provides Eriskay ponies specially bred for their gentle nature. Young people learn how to communicate and care for the horses including safety, grooming, socialising the foals, tacking up and simple riding skills. The highlight is an amazing trek up onto Abney Moor.</p> <p>The aim of the Down To Earth project is the creation of a ‘food circle’ that creates an open and inclusive ecosystem that sees young people with disabilities growing crops and rearing livestock, with the production being sold through retailers and eateries in the local community. This ecosystem will raise awareness of, and challenge stigma and bias associated with, disabilities of all types by having ‘information points’ within each of the retail places produce is sold on through. Participants bring a packed lunch to eat at the farm or on the trek.</p> <p>Service users can be involved in either project, or a mixture of the two depending on their needs and aspirations.</p> <p>With Enhanced Support the service user will be accompanied by their personal support worker who can record, monitor and report on their progress.</p>			
Unit price	£25 part day (2 or less hours)		
	1:1 support hours can be purchased at £8.36 per hour		
	Tea/Coffee and biscuits provided		

Referral Process

Prospective service users can refer via a telephone call or email contact. We would then invite them to one of our free taster sessions to see if it meets their needs. We would carry out an in depth assessment of their needs and aspirations and work out a tailored package.

Can the personal care needs of clients be met?

E.g. Assistance with toileting, medication, moving and handling, assistance with eating etc.

Yes. Can be negotiated/arranged on an individual basis.

Is transport available for clients to purchase?

Yes. We collect service users from Hathersage train station in our minibus. This is included in our unit price.

With Enhanced Support we can arrange that the Support Worker pick up the service user from his/her home address and travel with him/her to the farm.

Are FREE taster sessions available?

Yes. Potential service users are welcome to join us for a day to see our service at first hand and see if it would be right for them. During this day evaluation takes place to determine if the service user will need enhanced support.

Any restrictions	We provide a personalised service based on individual need and will accept referrals from all of the above client groups. However, there may be some referrals for service users with more advanced dementia where we are unable to meet service user needs (for example for individuals with more advanced dementia requiring more specialist dementia services). We are happy to discuss whether we are able to meet individual needs at referral stage.
Service detail	
<p>Our enhanced service is responsive to more complex needs identified through person-centred planning where individuals require additional support to enable them to access the activities. This could include a requirement for additional or more specialist staff support, eg for PEG feeding or sensory impairment.</p> <p>Times, dates and venues vary, please see location for details. We are able to provide flexible staffing depending on need. Group capacity depends on the individuals attending (eg the number of wheelchair users for the size of the venue). Please contact us for details of current capacity.</p> <p>Regular planning meetings are held in all our venues so that the people we support direct the activities we provide.</p> <p>Current activities include cooking, computers, craft and social activities, quizzes and word games, sports including bowling, swimming and gym, hydro pool (Proact stadium), table top games, and chair based exercise to name just a few. Activities vary depending on venue and facilities.</p> <p>We are always open to new ideas for activities and actively research new opportunities.</p> <p>Beverages are included and we can support people to purchase food locally.</p>	
Unit price	<p>£58.70 full day</p> <p>£29.35 half day</p> <p>Includes beverages and some activities but excludes lunch.</p>
Referral Process	
On receipt of a referral form and care plan where available, contact will be made with the relevant contact within 7 days of receiving an enquiry. We will arrange for the prospective service user to come in for a free taster day where they can see if they are happy with what we have on offer and for us to carry out an assessment to ensure we can meet their needs. We will accept self referrals and referrals through health providers and Derbyshire County Council's brokerage system.	
Can the personal care needs of clients be met? E.g. Assistance with toileting, medication, moving and handling, assistance with eating etc.	
Yes. Person centred support plans will be completed with all individuals accessing the service to ensure their personal support needs are met. This includes assistance with personal care, medication, eating and drinking and communication. Disabled toilets are available at all our venues and some venues have additional changing facilities with hoists. Please contact us for specific information about venues.	
Is transport available for clients to purchase?	
No. We do not currently offer this service. We work closely with transport providers to manage identified service user risks.	
Are FREE taster sessions available?	
Yes. We offer a free taster day where the individual can see if they are happy with what we can offer and for us to carry out an assessment to ensure we can meet their needs.

10.00 – 4.00pm. A full day devoted to the development of body language, dance, drama and performance skills in a multi media environment using light, video and sound.		
These sessions will provide the opportunity to create performances together with video and sound for installations, club nights and exhibitions.		
Participants will work as a team to create, devise and rehearse new multi media performance pieces. These sessions will involve improvisation using the language of the body together with the development of sound, costumes, video and performance environments to create stunning performances.		
Each day is tailored to around the interest of participants and run by two Level artists. Information about each session together with documentation and resources for development is produced by LEVEL and available to all participants and carers through our web sites or as a physical resource.		
The sessions take place at the LEVEL centre where participants will have the opportunity to engage with interactive art work, sensory environments, installations, films/visual art and images created by other learning disabled people and artists and make use of the accessible kitchen/eating area and relaxation room where lunch is provided.		
All materials are provided.		

Unit price	Full Day Standard Support with Lunch £35
Referral Process	
Referral can be made by any individual, carer, care organization or support worker. Initial contact is by telephone or prearranged visit to the Level Centre. During this time/meeting we will explore the interests of each participant, the level of personal support required and undertake a risk assessment if required. Trail sessions are always offered where we can meet each participant and they can experience activities at LEVEL, meet the staff and other participants. A welcome pack outlining our procedures, ethos and practice, facilities, contacts and operation at LEVEL is given to each person and carer attending sessions.	
Can the personal care needs of clients be met? E.g. Assistance with toileting, medication, moving and handling, assistance with eating etc.	
Yes. We can provide personal support including assistance with toileting, medication, eating etc, if required. However, our referral process includes an assessment of personal support required for each participant and in some cases complex support requirements may not be able to be provided by LEVEL. If this is the case we will work with the primary care provider to ensure appropriate support is available.	
Is transport available for clients to purchase?	
No.	
Are FREE taster sessions available?	
Yes. Please note our referral process above. Free taster sessions are always offered prior to committing to a project or activity. Level also runs free sessions for carers and taster sessions for groups. The number of free sessions offered depends upon the needs of the individual and is negotiated as a part of the referral process.

Referral Process

Contact to be made with Merle Davis, Area Manager initially - phone or email. This will then be passed onto the local Manager (in this instance Clare Rawson) who will arrange to meet the person and / or appropriate others for an initial conversation and visit if requested. Lisa will then undertake our "Getting to Know You" assessment process and ensure we are able to fully meet needs including arranging any additional staff training necessary. Visits to and attendance at taster sessions to be arranged prior to any final agreement on service access and provision. Depending on complexity of support needs and number of taster sessions it is possible for this process to be completed within 2 weeks. However, we do not rule out emergency placements for example due to respite needs where there is a change in carers circumstances.

Can the personal care needs of clients be met?

E.g. Assistance with toileting, medication, moving and handling, assistance with eating etc.

Yes. All staff are trained to support around personal care needs in line with MacIntyre policies and procedures. Any additional bespoke training required to meet individual needs would then be arranged over and above this prior to service starting. There are no hoist or changing facilities and the building is not wheelchair accessible.

Is transport available for clients to purchase?

Yes. Currently there are lease vehicles operated by MacIntyre as part of existing block contract arrangements, some arrangements are made with local taxi and transport firms. Availability of options for new people will be determined by location and timings depending on demand. Where identified we will support people to travel or work towards travelling independently if this is their learning goal.

Are FREE taster sessions available?

Yes. By arrangement it is possible (and often preferred) that people come along to visit and experience sessions and activities for themselves prior to making a firm commitment that they wish to attend. There are no rules on exactly how many sessions can be accessed we would negotiate this on an individual basis with input from social worker and person concerned as well as other members of the groups being accessed in order to minimise disturbance.

Referral Process

Contact to be made with Merle Davis, Area Manager initially - phone or email. This will then be passed onto the local Manager (in this instance Karen Clark) who will arrange to meet the person and / or appropriate others for an initial conversation and visit if requested. Lisa will then undertake our "Getting to Know You" assessment process and ensure we are able to fully meet needs including arranging any additional staff training necessary. Visits to and attendance at taster sessions to be arranged prior to any final agreement on service access and provision. Depending on complexity of support needs and number of taster sessions it is possible for this process to be completed within 2 weeks. However, we do not rule out emergency placements for example due to respite needs where there is a change in carers circumstances.

Can the personal care needs of clients be met?

E.g. Assistance with toileting, medication, moving and handling, assistance with eating etc.

Yes. All staff are trained to support around personal care needs in line with MacIntyre policies and procedures. Any additional bespoke training required to meet individual needs would then be arranged over and above this prior to service starting. There are no hoist or changing facilities but this does not preclude people with mobility issues from attending as the building is on one level.

Is transport available for clients to purchase?

Yes. Currently there are lease vehicles operated by MacIntyre as part of existing block contract arrangements, some arrangements are made with local taxi and transport firms. Availability of options for new people will be determined by location and timings depending on demand. Where identified we will support people to travel or work towards travelling independently if this is their learning goal.

Are FREE taster sessions available?

Yes. By arrangement it is possible (and often preferred) that people come along to visit and experience sessions and activities for themselves prior to making a firm commitment that they wish to attend. There are no rules on exactly how many sessions can be accessed we would negotiate this on an individual basis with input from social worker and person concerned as well as other members of the groups being accessed in order to minimise disturbance.

Referral Process
Referrals can be made directly by individuals with Direct payments or private finance, or by professionals with access to statutory funding, through the office main phone number (01246 200018) within office hours. Day Service Management staff are available in the office for discussion and collating all details.
We can also accept referrals through brokerage systems with a same day response.
Can the personal care needs of clients be met? E.g. Assistance with toileting, medication, moving and handling, assistance with eating etc.
Yes. Personal care needs will be met dependent upon the availability of facilities available in the locations accessed. All our staff supporting the service are fully trained, and able to deliver complex personal care, including PEG and catheter care.
Where at all possible, we will aim to provide Day services in locations which can support the personal care needs of people who wish to access activities in the community with other peers
Is transport available for clients to purchase?
Yes. Transport can be made available to transfer people from home to the Day service/activity location. All staff have the necessary insurance and driving skills to transport clients in their own vehicles. Mileage will be charged at 0.40p per mile.
Wherever possible we will support people to use public transport to access Day services, in order to engage in skill building and community prescence and participation.
Are FREE taster sessions available?
Yes. A free taster session will be made available to people who wish to meet the staff and other Day Service users, either for a part of full session basis.

Service detail	
Rhubarb Farm provides the opportunities for people to come and get involved in something different from the usual day care service.	
Full day: 6 hours 9.30am – 3.30pm	
Half day: 3 hours 9.30am – 12.30pm, 12.30pm – 3.30pm	
Everyone would be working outdoors on whatever horticultural work is happening on the day they are on site. The work is practical and productive and contributes to the economy of our social enterprise as we grow fruit and vegetables for weekly veg bag customers, local farm shops and passing trade. We also have 100+ hens so poultry care is also part of the opportunities.	
If the weather is bad or there are training courses running, there would be indoor or under-cover activities (eg in the polytunnels). Everyone works together on Rhubarb Farm unless they prefer to work alone or just with one other person. Everyone who comes to Rhubarb Farm is called a volunteer because we value everyone's contribution.	
Staff provide support for all volunteers.	
Site is suitable for everyone, and there is always someone strong to push a wheelchair.	

Warm clothes are essential, but we can provide gloves and boots.

Refreshments are included but not lunch.

Coming to Rhubarb Farm gives everyone a sense of belonging to a community, or being part of a productive team and it is fun whatever the weather.

Unit price	Full day £70
	Half day £35

Referral Process

Anyone interested in coming to Rhubarb Farm should contact Emmy Aubignac, Volunteer Co-ordinator, and discuss what they want to do. Then Emmy will arrange a tour of site so any prospective volunteer can get an idea of what are the opportunities.

A taster session, max 1.5 hours, can be arranged.

If a person decides to come to the Farm, they will complete a Volunteer Application Form, and a Well-Being questionnaire, and be able to start as soon as they wish, after discussing with Emmy which days are available or suit them best.

The Volunteer Application Form contains all relevant contact details for that person, and confidentially-held details about any health issues, so that staff are aware of the needs and abilities of the person volunteering, in order to arrange the best form of initial support either from a staff member or Buddy Volunteer.

Can the personal care needs of clients be met?

E.g. Assistance with toileting, medication, moving and handling, assistance with eating etc.

No. Rhubarb Farm staff can assist volunteers getting to the toilet, provided they are able to manage themselves using the toilet. e.g. if they are in a wheelchair and just need pushing to the toilet. i.e. no personal care is provided.

Rhubarb Farm welcomes people who need personal care, but they will always come with their own carer, whose responsibility it is to deal with their personal care needs as and when required on site. We already have volunteers with personal care needs coming to site, with their carers.

Is transport available for clients to purchase?

Yes. Rhubarb Farm has a minibus which can be used to collect and take volunteers back from agreed meeting places usually in Chesterfield and Bolsover.

Transport will be arranged by negotiation with the Farm as availability allows.

Price for return journey: £5

Are FREE taster sessions available?

Yes. Anyone wanting a taster session should ring the Rhubarb Farm Volunteer Co-ordinator, Emmy Aubignac, and arrange to come for a visit and taster session. A taster session would be no more than 1.5 hours on site.

A taster session would usually involve the potential volunteer doing some tasks on site, along with other volunteers, and supported by a staff member to give them insight into what it's like to be a volunteer at Rhubarb Farm.

Everyone is welcomed and made to feel part of the team from the very first time they come.

Service detail	
Rhubarb Farm provides the opportunities for people to come and get involved in something different from the usual day care service.	
Full day: 6 hours - 9.30am – 3.30pm	
Half day: 3 hours - 9.30am – 12.30pm, 12.30pm – 3.30pm	
Everyone would be working outdoors on whatever horticultural work is happening on the day they are on site. The work is practical and productive and contributes to the economy of our social enterprise as we grow fruit and vegetables for weekly veg bag customers, local farm shops and passing trade. We also have 100+ hens so poultry care is also part of the opportunities.	
If the weather is bad or there are training courses running, there would be indoor or under-cover activities (eg in the polytunnels). Everyone works together on Rhubarb Farm unless they prefer to work alone or just with one other person. Everyone who comes to Rhubarb Farm is called a volunteer because we value everyone's contribution.	
Staff provide support for all volunteers.	
Site is suitable for everyone, and there is always someone strong to push a wheelchair.	

Warm clothes are essential, but we can provide gloves and boots.

Refreshments are provided by not lunch.

Coming to Rhubarb Farm gives everyone a sense of belonging to a community, or being part of a productive team and it is fun whatever the weather.

Unit price	Full day £50
	Half day £25

Referral Process

Anyone interested in coming to Rhubarb Farm should contact Emmy Aubignac, Volunteer Co-ordinator, and discuss what they want to do. Then Emmy will arrange a tour of site so any prospective volunteer can get an idea of what are the opportunities.

A taster session, max 1.5 hours, can be arranged.

If a person decides to come to the Farm, they will complete a Volunteer Application Form, and a Well-Being questionnaire, and be able to start as soon as they wish, after discussing with Emmy which days are available or suit them best.

The Volunteer Application Form contains all relevant contact details for that person, and confidentially-held details about any health issues, so that staff are aware of the needs and abilities of the person volunteering, in order to arrange the best form of initial support either from a staff member or Buddy Volunteer.

Can the personal care needs of clients be met?

E.g. Assistance with toileting, medication, moving and handling, assistance with eating etc.

No. Rhubarb Farm staff can assist volunteers getting to the toilet, provided they are able to manage themselves using the toilet. e.g. if they are in a wheelchair and just need pushing to the toilet. i.e. no personal care is provided.

Rhubarb Farm welcomes people who need personal care, but they will always come with their own carer, whose responsibility it is to deal with their personal care needs as and when required on site. We already have volunteers with personal care needs coming to site, with their carers.

Is transport available for clients to purchase?

Yes. Rhubarb Farm has a minibus which can be used to collect and take volunteers back from agreed meeting places usually in Chesterfield and Bolsover.

Transport will be arranged by negotiation with the Farm as availability allows.

Price for return journey: £5

Service detail

Me Time is all about individuals learning through activity, enjoying and achieving things that matter to them. Individuals are supported to progress towards goals and develop the following skills: being creative, being part of a team, talking and listening to others, following instructions, being confident, and supporting others through peer mentoring. Sessions and activities are planned and delivered over a 12 week period, this is dependant on the preferences and goals of individuals accessing the group. These are three hour sessions, e.g. 9.30am to 12.30pm.

Performing Arts is an opportunity for individuals to have fun, interact with others while using and exploring different media such as photography, designing and producing props and costumes. Individuals can access a range of activities such as music and movement, story telling, singing, dancing, planning and performing an annual show for the public. Sessions include workshops from external organisations in, for example, making puppets, designing and applying make-up and body language.

Creative enterprise group - the purpose is to concentrate on making things to sell, being resourceful and promoting the Mencap services. The group are also involved in researching and finding outlets to sell items that are made. There is a real emphasis on being out and about in the local community, being proactive and working as a team. The group will be encouraged to research and plan their activities in line with our Community Enterprise Business. Things the group will be involved in include producing networking materials e.g. posters and leaflets, and computer work and photography.

The Healthy lifestyles group is an opportunity for individuals to have fun, interact with others while using and exploring different lifestyle opportunities. The group will also provide other activities which will increase people's awareness of Health and well being. There is a real emphasis in this group on doing sport to help us keep fit and healthy, reduces stress and makes us feel better about ourselves. The activities will be around giving people opportunities to have a go at new sports and increase their awareness of different ways to keep healthy. This list will always be changing and new activities added to keep diversity within the group, but currently include using the gym – having a personal plan to work towards, Swimming, Walking, Team games, Bowling, Cooking, Football, Cricket, Relaxation and gentle exercise, Outdoor activities, Workshops.

The Natural Progression activity group runs from 6pm to 9pm Thursday evening and 9.30 to 12.30 pm on a Saturday, and is an opportunity for individuals to have fun while keeping fit, discover what's happening in their community, meet friends and make new friends. This main activity is walking and will include the planning and preparation of taking part in and leading a 3 to 4 mile circular walk. The group will aim towards increasing activities which will be mainly focussed on the outdoors and may include cycling, bush craft skills, building camp fires, cooking outdoors and camping.

Unit price £32.60 per 3 hour session per person with 1:1 support

Referral Process

Contact Derbyshire Service Manager to arrange referral and assessment meeting. This meeting is an opportunity for us to get to know the individual and gather the information we need to provide a safe and progressive service. A Basic Personal Information Record will be completed and will record important information such as personal details, medical condition etc.

We will complete a Support Agreement detailing how much support the individual will receive, how much support costs, when to pay and how to make changes to their support.

Expected minimum attendance is 12 weeks, if individuals are not happy with the service in that time we require at least 4 weeks notice before leaving the service.

Can the personal care needs of clients be met?

E.g. Assistance with toileting, medication, moving and handling, assistance with eating etc.

No. If the facilities provided within the venue used do not ensure the dignity and respect of individuals and if there were no 'changing place' facilities nearby we would not be able to offer a service to individuals with high or complex support needs including personal care.

Is transport available for clients to purchase?

No.

Are FREE taster sessions available?

Yes. A maximum of 2 free taster sessions can be arranged prior to carrying the full referral and assessment process.

Travelling Lunch Club / Social Group	
Every Monday 12 noon - 2pm	
An opportunity to meet new people, share a lunch, find out about other services in the community and discuss topics that are important to you.	
New clients are contacted to assess to discuss their individual circumstances and what it is they hope to achieve by attending. This is followed up by staff to find out if the service is meeting the clients needs and how it might be improved.	
The group is supported by 4 staff/volunteers who are on hand to provide support and ensure clients needs are met (as agreed).	
On average 15 clients attend each session.	
The venue is usually either a restaurant or pub that has been previously visited by staff and assessed for suitability of both venue and food choices.	
A nutritional meal is provided of at least 2 courses with a hot drink. The location changes monthly to give variation.	
By attending, clients report increased friendships, reduced isolation and improved quality of life and independence.	
A couple new to the area not getting out of the house quoted " We didn't know anybody and getting out of the house was difficult. We have made new friends and now get out of the house." The couple are regular attenders to the lunch club.	
Unit price	£21.20 per session

Referral Process

Referrals are encouraged by email or telephone.

New clients are assessed to determine needs, current medical complaints, mobility issues.

Can the personal care needs of clients be met?

E.g. Assistance with toileting, medication, moving and handling, assistance with eating etc.

No.

Is transport available for clients to purchase?

Yes. Social Car can be organised at a cost of 45p per mile

Clients with a Physical Disability/Sensory impairment		x
Clients with a Learning Disability		✓
Clients with Mental Health difficulties		x
Clients with Profound and Multiple Learning Disabilities		✓
Clients with challenging behaviour		✓
Localities covered	High Peak	
Any restrictions	We support those with challenging behaviour but as we view all enquiries in a person centred way we would consider compatability of individuals accessing provision along with the level of intervention required to aid us in decision making that ensured the safety and well being of all.	
Service detail		
The weekly service is provided for up to 8 adults with a staff and volunteer ratio to reflect the support requirements within the group. Sessions will run from approximately 10am to 3pm. An adapted minibus will meet individuals at centralised pick up /drop off points across the High Peak area. The sessions will vary and be user led with a number of activity based taster sessions in order to support people to broaden their knowledge of what leisure and social activities are available to them. The intention would be that activities pursued would evolve and change with the requests of those accessing the sessions. Examples of what will be on offer initially include walking, swimming, outdoor activities, visiting tourist attractions.		
Unit price	£50	
Referral Process		
We have a single point of access telephone number and email address as stated above. A Customer Service Administrator will take your call and take you through our enquiry form and then allocate you a Support Planner. The Support Planner will meet with you and discuss your requirements and support needs and then arrange for you to have a taster session in your chosen area of interest.		

Can the personal care needs of clients be met? E.g. Assistance with toileting, medication, moving and handling, assistance with eating etc.
Yes, our staff are all trained and skilled to meet the varying needs of those that access support and activities with us. Staff have to complete our mandatory training and induction programme which includes the Care Certificate before they undertake work.
Training includes:
<ul style="list-style-type: none"> • First aid • Disability equality • Epilepsy and Buccal Midazolam Administration • Manual handling • Autism • Adult safeguarding • Health & Safety • Team Teach • Scip Pro Act • Makaton • Gastrostomy Care • Tracheotomy Care • Medication
Is transport available for clients to purchase?
Yes. Our stated Unit Price includes transport and we have 3 centralised pick up and drop off points within the High Peak area to reflect that 1 centralised point would not meet everyones requirements due to the rural nature of Derbyshire.
Are FREE taster sessions available?
Yes. Taster sessions are available at no additional cost in order for individuals to ensure that the provision on offer is what they require.

Make, Bake and Create Tuesdays			
Weekly activity from 10am until 4pm at Umbrella House, Mackworth, Derby, DE22 4LD.			
Fun days where young adults are able to meet new friends and plan exciting activities to suit everyone's needs and budgets. Activities include craft, cooking, baking, meal preparation, shopping, gardening, budgeting and independence skills.			
Young adults are encouraged to plan group activities to ensure everyone's interests are considered.			
Unit price	Package Price £81.45 - 10am until 4pm		
	Packed lunch or contribution towards ingredients for lunch is required dependent on the chosen activity.		

Referral Process

Families/professionals contact Umbrella for an initial phone discussion to establish whether the service is appropriate to meet the young adults needs.

Families/professionals complete an Umbrella referral form. Families will be contacted within 48 hours to discuss next steps.

There is the option of a taster session (approximately 2 hours) where the young adult is supported by their own care worker or family member to establish whether the Umbrella activity will meet the young adults needs.

A home visit is organised to meet the young adult and their family to further assess needs and complete a detailed care plan.

A start date agreed with the families. The young person will start at the club within 14 days from the home visit unless specialist bespoke training is required.

Can the personal care needs of clients be met?

E.g. Assistance with toileting, medication, moving and handling, assistance with eating etc.

No. This service for young adults with a moderate level of need who have some safety awareness and can generally meet their own personal care needs with minimal assistance. This is not for young adults requiring a 1:1 support.

Is transport available for clients to purchase?

No.

Are FREE taster sessions available?

Yes. The young adult needs to be accompanied by their own care worker or family member.

Location	Bradbury Community House, 10 Market Street, Glossop, SK13 8AR
Clients catered for	
Older People aged 65+	✓
Clients with Dementia	✓
Clients with a Physical Disability/Sensory impairment	✓
Clients with a Learning Disability	x
Clients with Mental Health difficulties	✓
Clients with Profound and Multiple Learning Disabilities	x
Clients with challenging behaviour	x
Localities covered	Glossop, Hadfield, Padfield, Tintwistle, Charlesworth, Chisworth, Gamesley, Dinting, Simmondley,
Any restrictions	As the Time Out service is delivered from a public building we are not able to accommodate those with unmanaged incontinence. Those with low to moderate level dementia or confusion and those with low level mental health difficulties can be provided for but, as the building is not a secure environment and does not have full facilities for personal care, those with a more advanced condition or who require personal care are only able to attend if accompanied by a carer, PA or support worker. Each case is decided on an individual basis.
Service detail	
Time Out (Thursday) runs from 12.00pm - 1.30pm at Bradbury House, 50 weeks a year (closed over the Christmas holidays). The purpose of the session is to provide a relaxed friendly environment where people can meet for a chat, make new friends and, if they wish to, go out with a volunteer to do a high street shop, pay bills etc. A range of different activities are held to help maintain social skills and interaction, mental activity and fine and gross motor skills with a view to providing a stimulating experience, resulting in reduced isolation and increased capacity to maintain independence. Light refreshments (tea, coffee, cake, biscuits) are provided during the session. Individual dietary requirements can be accommodated.	
The session is led by an experienced, trained Service Coordinator and a team of carefully selected, DBS checked, trained volunteers. The number of volunteers is determined by the number of clients attending and the level of individual need for support. Staff and volunteers make every attempt to get to know each client individually and the emphasis is on having a relaxed, enjoyable time. We undertake to signpost to other services as appropriate and liaise closely with referral agencies / family as required.	
Unit price	Price on enquiry

Referral Process

Referrals are taken by phone or email (followed up with a phone call) Monday - Thursday 9.30am - 4.00pm, Friday 9.30am - 3.00pm. We aim to respond to referral requests as quickly as possible but certainly within two working days. The referral is handled by the Service Coordinator for the Time Out service. The client is contacted and an initial assessment of their requirements, eligibility and what they want to gain from attending the session is carried out either by phone or via a home visit as appropriate. If the service meets their needs we complete a registration form with them at this point.

Can the personal care needs of clients be met?

E.g. Assistance with toileting, medication, moving and handling, assistance with eating etc.

No. Any personal care needs of clients need to be met by their own carer / PA who is welcome to attend the session.

Is transport available for clients to purchase?

Yes. Door to door transport can be arranged via the Volunteer Centre Car Scheme, price 60p per mile, or if possible via Community Transport Dial-a-Bus Service. If the client is unable to transfer they would be referred to Community Transport or another provider.

Are FREE taster sessions available?

Yes. One free taster session can be arranged.
