Tel: 0800 599 9353

BBPS currently deal with over 1600 Direct Payment service users and the company pride themselves on providing a high quality, reliable service. All staff are qualified to the standard of the Chartered Institute of Payroll Professionals (CIPP).

Each Council's clients work with one dedicated payroll technician to ensure continuity, and the familiarity for personal relationships to be built with the service users.

As part of their culture, their mission is to meet each client's bespoke needs by taking a person-centred approach and maintaining effective communication. They aim to treat each client as an individual and support them to make their own choices regarding their care package and their employment of Personal Assistants. Barrie provide Managed Accounts and Payroll services with or without payment. Payroll services cannot be provided on a stand-alone basis, and would need to be part of a managed account arrangement.
