

Derbyshire Safe Place Scheme

Details of the Scheme

What is the Safe Place Scheme?

The Safe Places Scheme aims to help people feel safe when they are out and about. A Safe Place will display a Safe Place sticker on their window or door. Safe Places are places in Derbyshire people can go if they:

- feel scared
- are lost
- need help when out and about

How does the scheme work?

Towns in Derbyshire have places where people can go for help. The places can be libraries, shops or council buildings.

What is a Keep Safe Card?

A Keep Safe Card is a card for people to carry with them when they are out and about.

- The card will have:
- The person's name
- The name of a family member or carer who can be contacted in an emergency
- Other important details.

How does a Safe Place help people?

Staff can help people by:

- calling a family member or carer to come and collect them giving them somewhere safe to wait until help arrives
- giving them practical help. (for example - giving them somewhere to sit if they are upset and being kind to them)
- calling the police or an ambulance

How do I find a Safe Place?

There are Safe Places across the whole of Derbyshire including all Derbyshire libraries. Safe Places have a Safe Place sticker in the window.

You can find a list and map of our Safe Places on the [Safe Places webpage](#) or the [Safe Places app](#)

Who runs the Safe Place Scheme?

It is run by Derbyshire County Council Public Health and supported by:

- Derbyshire Police
- Derbyshire Trading Standards
- Derbyshire Learning Disability Partnership Board
